I am informed by Detective Finbarr Fleming, Shield #4797, of the NYPD Joint Robbert Task Force, that Det. Heming observed the defendant stand next to a Mercedes Benz (Lie Plate GWC4123) and remove the glass mirror from the passenger side view mirror casing. I and further informed by Detective Heming that he gave chase and observed the defendant throw the mirror he had removed to the ground. I am further informed that when

I observed that inside that backpack, the defendant had six (6) additional auto mirrors, each of which appeared to have been removed from the side view mirror encasements of motor vehicles.

I am informed by an individual known to the District Attorney's Office (informant #1) that informant is the owner of the Mercedes Benz that Detective Fleming observed the defendant tampering with and that upon inspection of the mirror dropped by the defendant, it was found to fit the passenger side of Informant #1's vehicle. I am further informed by Informant #1 that upon further inspection of Informant #1's vehicle he observed that the driver's side mirror had also been removed. I observed that a mirror that fit Informant #1's drivers side mirror encasement was recovered in the defendant's backpack. I am further informed by Informant #1 that Informant #1 is the owner of this vehicle and the defendant did not have permission or authority to damage it or remove any parts.

I am informed by a second individual known to the District Attorney's Office (informant #2) that a short time after the defendant was arrested Informant #2 inspected his car, also a Morcedes Benz (Lic Plate DLJ4273), and found that the passenger side view mirror was missing. I am informed by Sgt. Joseph Hartnett that Sgt. Hartnett compared a mirror recovered from the defendant's backpack and found that it fit in the passenger side mirror emparement of Informath #2's vehicle. I am further informed by Informant #2 that Informant #2 is the owner of this vehicle and the defendant did not have permission or authority to damage it or remove any parts.

After his arrest, the defendant stated, in substance, to me: "I'm doing this for a guy in the Bronx. He gives me \$5 for each of these. If I told you who he was would you let me go?"

I personally reviewed the defendant's criminal history and observed that on July 1, 2015, the defendant was convicted of Autostripping in the Third Degree, under Penal Law Section 165.09(1), and on July 1, 2015 was sentenced to a term of 90 days jail.

RE:

YOUR MEDICAL CARE ISSUE

Thank you for contacting the Prisoners' Rights Project about your medical treatment. Enclosed is a report that we have sent for you to officials of the NYC Health & Hospitals Corporation, its medical contractor, Corizon, and the Board of Correction. Please let us know whether or not you receive the health services that we have requested for you.

Whenever you need medical attention in the future, you should sign up on the list for daily sick call at the clinic or, if it is an emergency, ask any staff member to call the jail clinic. Your right to see a doctor on request is guaranteed by New York City Board of Correction Minimum Health Care Standards. You should also file a medical grievance or request for second opinion if you are not getting the treatment that you need. You should always try to use the existing procedures first.

The Board of Correction can also help if you have problems getting medical care or have other jail problems. The Board of Correction sets minimum standards for the city jails and has the power to investigate inmate complaints and to try to resolve them with the Department. There is a staff member from BOC assigned to work in your jail. You may request an interview with the staff member by writing or calling the Board of Correction offices at

Municipal Building 1 Centre Street, Room 2213 New York, NY 10007 Phone: 212-669-7900

We hope that you are feeling better soon and that our limited assistance will take care of your immediate problem. We are sorry that, due to our limited resources and staff in our office, we cannot represent you in any legal action that you may want to take or bring a case for you in court.

ANOTHER MATTRESS COMPLAINT: Joanuel Montanez 3491514092 EMTC NYSID:

02220826-Y

Mr. Montanez reports that he is suffering from severe back pain which is aggravated by the thin DOC mats that are now being used instead of mattresses. He says that every night he layers his bed with clothes in order to make it a bit more comfortable. He stated that he has asked for a replacement but nothing has been done as of yet.

As you know, we have communicated many similar reports recently to you about the DOC mats since these were issued.

Would you please have him seen by an orthopedic doctor as soon as possible and provided with any appropriate and necessary treatment, including the issuance of an extra or different mattress that provides support without pain or injury?

Thank you for your attention to this matter.
